Varsity Football Has Upsetting Season

The dreams of championship season turned sour this year for the monarchs, but even though the season ended with only one victory for this year's Varsity Football Team, there were many outstanding plays, games and some outstanding players.

The monarchs played a hard fought game against their rival team the Hayward Farmers, a game that went into three overtimes that ended with the farmers on the winning end.

A few of the games were very close and were decided only at the very end. It would have been easy for the team members to let down and not put in maximum effort in every game, but the opposite was true. No matter what the score was the players gave as much as they could in each game.

Having started practice in the middle of August and not finishing until mid-November these players deserve as much recognition and praise as any other team in the H.A.A.L.

Selected to the H.A.A.L. all league 2nd team were: Sr. Gary Duran, Jr. Scott Tsui, and Jr. Winston Capucion.

Senior Gary Olsen and Juniors Arnel Capinpin and Vernon Clark recieved Honorable Mention.

Pride And Unity Spark Frosh-Soph Football Team

Pride, Unity, and good attitude is what Mr. Eden is well known for this year.

The Frosh-Soph team record was 2 wins 3 losses and 1 tie. In the league games, the team tied for 3rd place. One of the best efforts the team made, had to be against San Lorenzo High, It was a very tough game, and even though they lost 14-0 they gave it everything they had.

The most dedicated, player on the team was John Griffen. He always kept the teams spirit up even when they were losing. The team wasn't short of outstanding players. John Egen, Eric Strout, and Todd Fisher worked hard to make the team what it is today.

Monarchs Start Slow; Earn Playoff Spot

The first round of play was a real struggle for the Varsity Volleyball Team. They just couldn't seem to pull everything together enough to win. The team had many close matches and some excellent games, but the outcome was most often in favor of their opponents. The second half was a different story, however. The team rallied, put all their outstanding skills to work and ended the last half with a perfect 6-0 record. This earned them a second place in the HAAL standings and gave them a very good playoff spot.

In the HAAL playoffs, the Monarchs shut out third place Arroyo High School but then lost to league champions San Lorenzo in a rough match. During league play, they had been 1-1 with the Lancers and knew they had a good chance to beat them in the finals.

Selected as unanimous choices for the All-League Volleyball Team were Michelle Powell, Karen Lofton and Lisa Datrice. Duana Clark and Jackie Johnson received honorable mentions.

JV Volleyball Takes Second With 10-2 Record

Ending the season with an overall 10-2 league record, the J.V. volleyball team has done exceptionally well and should be proud of their season record. With much hard work and long hours of practice the J.V. team worked to perfect their skills. The girls performed with enthusiasm, sportsmanship and skill. The team was high spirited throughout the season showing good skills in serving, bumping and spiking.

The Monarchs rougest competition was Arroyo, losing to the Dons twice during league play. Mr. Eden's biggest asset was their determination. They never gave up even when they were behind in points.

This year's team was coached by Mark Auguilino. "With the right training, and guidance, the J.V. team did better than I thought they would" said coach Auguilino. "They showed all the effort that I could ask for".

With the help, confidence and determination of our coach, friends and especially our Varsity Teammates, we couldn't have done it". This was the feeling of the J.V. team as a whole.

Duarte Dominates League; Takes First In HAAL

Gina Duarte swept the girls' varsity tennis league with an outstanding 11-1 record. Gina, a first year freshmen player, lived up to her number one position as she easily took first place in the HAAL tournament, qualifying her to represent Hayward at the NCS playoffs.

Sophomores Nina Nguyen andJenny Chew contributed also to their team's second place finish in the league with records of 9-3 and 8-4 respectively.

Nina and Jenny teamed for doubles at the HAAL tourney and took first place qualifying them for NCS also.

The excellent play of Gina, Nina and Jenny gave Mr. Eden the necessary points to rank first in the HAAL tournament. All three were selected as all-league players. "I'm very proud of them and hope to work out a program they and future tennis players can participate in," commented Coach Randy Panierz.

Injuries Plague Runners

Lack of experience and depth marred Mt. Eden's Cross Country team's chances for a successful overall season. Both boys' and girls' teams were plagued by injuries. Lost for the entire season were top returning lettermen Paul Garcia, Jim Huber and Beverly Dukes.

There were some bright spots, however for the dedicated runners that remained. Excelling were Joanne Garcia taking a second place in the league meet for the women's two mile and Brian Tanaka, Lamont Attaway and Pete Vialpando placing in the men's two mile run for the league meet. The boys' frosh-soph team took an overall third place in the HAAL meet.

Season records for the team were: girls' varsity 2 and 4, boys' varsity 2 and 4, boys' frosh-soph 3 and 3 and girls' frosh-soph 2 and 4.

Monarchs Reach NCS Semi-Finals

It was the second best season in Mt. Eden's basketball history, twenty four wins and five losses. Four of those losses were to Hayward High, two in regular season play, one in the HAAL playoffs and one in the NCS semi-finals.

The Monarchs defeated San Lorenzo in the first round of play in the leaue tournament advancing them to the finals with Hayward High. It was an emotional back and forth game. Keith Humphrey, Vince Encelan and Steve Eckland, with their drives, jumpers and lay-ups tied the score at 60- all with 3:22 to go. Hayward managed to hang on for a 66-65 victory, giving the 25-3 Farmers an automatic NCS berth. Mr. Eden unanimously received the lone at-large spot in the NCS 2-A tournament.

At NCS, Mr. Eden beat Liberty 72-63 behind a career high 30 points from senior forward Vince Encelan. The Monarchs and Farmers extended their rivalry one more time in the NCS semi-finals.

Hayward trailed Mr. Eden by 17 points in the second quarter, but then something clicked for the Farmers and the momentum turned around. By halftime, Hayward had closed to within five points (33-28). The final blow came when Encelan and then Eckland fouled out. The Monarchs never gave up. They played their hearts out but when the final buzzer sounded, the Farmers had their fourth victory against Mr. Eden 64-61.

The Monarchs were definitely winners — in skill, spirit and determination to be the best!!

Vince Encelan, Keith Humphrey and Rick Rayford were chosen as all-league players. Steve Eckland received an honorable mention.

Outstanding Shooting Results In 2nd Place Victory

The league championship came down to the last game of the season against Tennyson High School. Mr. Eden had maintained a share of the first place position all season. One more game and victory would be theirs. The Monarchs had a slow, first half but came back strong in the second half. During one exciting moment they had closed the gap to just one point 25-24. With one minute remaining they had a chance to score five points with a one and one situation, a technical against Tennyson and an out-of-bounds possession. The Monarchs failed to complete the plays. With 18 seconds left they set up a play but Gina Duarte was called for an offensive foul. With four seconds left Tennyson scored again ending the game 27-26.

Mr. Eden had to settle for a second place league finish with a record of 9-3. The team was unable to come back in the HAAL playoffs.

One of the most outstanding players for the team was **Lani Martinez** having a great season offensively averaging 12 points a game. Freshman **Gina Duarte** also had an excellent season with the same average. **Karen Lofton** and **Zetzer Christian** led the team defensively.

Girls JV Has Fair Season

"We had a fair season. It was a learning experience for most of the team. We tried to build some good basic skills that would carry over into next season", commented Greg Parsynski, coach of the Girls JV Basketball Team.

Six of the eight player squad were new to organized basketball. The team had some very close games throughout regular league play and did manage to win four league games. The team placed fourth in the HAAL with an overall record of 4-9.

As the season progressed, so did the team. They wrapped up the season by defeating both Castro Valley and San Lorenzo High Schools.

The team's **Most Valuable Player** was **Sue Phelps** who started in every game and directed the team's offense at the point guard position.

JV Basketball Second In League

Co-captains Randy Gilbert and Gary East led the Mr. Eden JV Basketball Team to a second place finish in the HAAL with 9 wins and 3 losses in regular league play.

Their overall record was 20-6. The highlight of the season was defeating Hayward High one time in league play.

The team had an excellent pre-season tournament record. They took first place in the Ferndale tournament and won the consellation division of the Mr. Eden Invitational.

"We had a very good year with lots of talented players who can move up to Varsity next year", commented coach Roger Warren.

Frosh-Soph Has Perfect 25-0 Season

It was a perfect season for the **Frosh-Soph Basketball Team.** They took an undisputed first place in the HAAL with an overall 25-0 record. The team totally outclassed every other team in skill and team spirit.

From the very first practice game, the team took charge and kept their momentum going throughout the entire season. In each game, the team took an early lead and never fell behind. An example of their excellent playing ability was the 56-15 blow out against Arroyo High School.

Coach Kevin Gilmore must be given credit for keeping the team inspired to achieve such a perfect season. The future looks bright for the Mt. Eden basketball program.

Outstanding players for the team were **Lamount Attaway, Andre Edwards, Donnelle Johnson, Al Martinez, Kerry Walker,** and **Pat Watson.**

Jardine Takes First In League

Individuality was what the wrestling team concentrated on this year. Accomplished wrestlers included Duke Jardine, who received a first in the Livermore competition, a first in league and moved on to North Coast Championships, Sid Malonson, who received a second in league and a trip to North Coast, and Bernie Malonson, Eric Stout, and Todd Fisher each qualified for North Coast.

As a whole, this was a team with much energy and pride. Each wrestler that participated excelled to improve the teams standings from last years 0-6 to this year's 2-4. The main problem was that there was never really a full team present to get the team where it belongs. Adds coach Steve Brager, "We did have outstanding individuals, but a lack of participants made our season tough".

Another big drawback for the team was the lack of crowd participation. All the wrestlers agreed that if there was a larger crowd cheering them on, they'd do much better.

Varsity Fifth; JV First

It was a struggle all the way for the Mr. Eden Varsity Soccer Team. They fielded some excellent returning lettermen but could not seem to pull everything together enough to win many games. The best they could do was a fifth place finish in the HAAL. This disallowed them a playoff spot as you must finish in the top four to qualify.

The JV Soccer Team on the other hand had an outstanding season under the direction of first year coach Kermit Dukes.

The team finished the season in first place with a 4-1-1 league record. Their only loss was to Castro Valley 6-4 and tie with Sunset 3-3.

The team's most valuable player was **Ernie Buenos** who contributed much to the team's success.

First Season; Girls Make Playoffs

For the first time Mr. Eden fielded a Girls' Varsity Soccer team. The '84 team can be very proud of it's first season finishing fourth in league play and progressing to the semi-finals in the HAAL league playoffs. "The Monarchs had many talented and skilled players and they proved themselves on the soccer field," commented coach Ray Myers.

The highlight of the season was shutting out undefeated Hayward High twice, once during the regular season 2-0 and then again in the first round of the playoffs 1-0. Linda Hinojosa put a stop to the Farmers' high scoring center forward while defensive players Rochelle Myers, Dena Chimpkey, and Tina Faulkner stopped cold the rest of Hayward's strong offensive team.

In the semi-finals of the playoffs, the Monarchs met Arroyo High School in a downpour on a swampy field. It was a hard fought battle with the Dons coming out on top 2-0. Credit should be given to goalie Liz Slivnik for many great saves. Liz is considered to be one of the leagues best goalies.

Yolanda Gutierrez and Linda Hinojosa were the high scorers for the Monarchs during the season with some very fine assists from Christy Krider, Julia Hinojosa and Jenni Patterson.

Each player on the team can be proud. You showed great sportsmanship and school spirit. You gave Mr. Eden a great beginning in Girls' Soccer!

STUDENT LIFE

Awesome As Always, Finally A Victory For '85

"Indian braves we're proud to be, we're the class with Unity!" Screamed the class of '85 as they filled the gym.

The well done skit took the theme of "Romeo and Juliet" alias Roaming Feather and Precious Jewel. The two young lovers belonged to opposing tribes barely surviving a ten year drought.

In order to save their people, Roaming Feather and Precious Jewel revealed their love for each other. The two of them set off to seek the almighty God Tokahaya-mayawaya (better known as T!) Mr. T asked them only one question "What will you do for Mr. Eden?"

Upon answering the question correctly they returned home with the directions Mr. T had given them to unite the two tribes together. As soon as both tribes united they did the Hokum-Pokum, and a rainstorm let loose to produce rain for both tribes.

Those Junior braves were saved and they deserved it. After two years of disappointment in past Monarch Days, the class of '85 finally proved that their Monarch Spirit never died!

Shields and backdrop were of authentic Indian design, and they both were excellently done. The song was to the tune of Gilligans island. The song and the upbeat yell were two other items that led to the great spirit and class participation that the class of '85 expressed in Monarch Day.

The creativity put into the making of 85's costumes and tee-pees led to the believable setting of an Indian camp. The float was the front of two mountains with a lighted crack down the middle symbolizing the feuding tribes. The skit was brought all together with exerps of music from "Romeo and Juliets theme", and the Indian Hokum-Pokum finale. Oh yes, and of course Mr. T!

Proud Seniors Take A Strong Second Place

"It's '84 our final year, let's end it in a roaring cheer", was the Senior's chant for Magical Genie. The gold color added a magical effect to the skit, but Mr. Davini provided an additional surprise. He presented the Senior Class with multi-colored toilet paper which the Senior Class had decorated his house with the previous night.

The Senior skit began with a messenger played by Mitch Matthew, who started the conflict in order to make money. Both shieks played by Steve Aubel and Brian Pellowski were baffled about how the feud started so each of them called in their wise men. But the wise men could not give the shieks the answer. Both Shieks and their harems followed the yellow brick road until the two shieks and began to argue. While they were arguing, they awoke a Genie played by Nancy Wilson. They awakened her from her beauty sleep. This did not please the Genie and she demanded to know what was going on. Everyone told her that neither side wanted to make up. The genie thought for a second and then threw her Magical gold dust. As soon as she did this, all was happy once again and the shieks joined in unity.

When their skit was over the Senior Class Sang their song to "Joy To The World".

The Senior Class of '84 received a second place for all their hard work. Once again the class of '84 took a top score in Monarch Day.

3

Sophomores Glide With Green

The sophomores showed their spirit and unity by chanting, stomping, and yelling for '86 as they marched into the gym ready to win.

As they all calmed down and the lights were set low, the sophomores began their skit. It told about Robin Hood in the Kingdom of the Sophomore Forest. The kingdom had a wonderful king who was very much loved by the rich and the poor.

One day the king planned on having an "86th" feast, but he had to collect a small sum of money. So he did. But, the evil sheriff and his deputy stole the money and put it in the king's bedroom, so it looked as though the king was a crook. The people found out and threw the king into the dungeon. The sheriff then took over the king's throne. He told the rich and the poor they would become very rich if they saved more money to make it look like they were being taxed.

After a couple of days passed, the rich and the poor started to get angry and accused each other of stealing, because no one was getting rich. Robin Hood found out what the sheriff had done and told the people. The people apologized, united, and got their king back. The skit ended with a little dance by all the actors to "Give Us a Happy Ending".

Their song was sung to "Santa Claus Is Coming To Town". Their backdrop was also the first to have a 3-D effect. The sophomores took a well deserved third place on Monarch Day.

'88 Takes A Surprising Fourth

For their first Monarch Day, the class of '88 showed great spirit and unity. They also showed great anticipation in being the first 8th grade class ever to participate in Monarch Day.

The eighth grade beat the Freshmen with a fourth place win. "Snow White and the Poison Candybar" was their theme. Their skit was about Snow White who took a bite of a poison "Snowbar". The seven dwarfs united and made a candybar that would transform her into a nice witch. She then took the spell off Snow White.

Their float was in the shape of a giant "snowbar" that they gave to the witch. The shields had a mirrored effect by the use of tin foil. Their backdrop had a picture of Snow White with her arms stretched beside a giant candybar. Well done eighth grade!

'87 Shows Spirit And Pride In First Monarch Day

Pride was shown by the Freshmen class as they chanted "The class of '87 arrives to invite all Mr. Eden students to Unite!" The Freshmen class marched from E hall into the gym yelling and screaming out for their class. They worked very hard on their skit, imaginitive backdrop, shields, float and song.

The skit was based on the "Blue Cross Shields". The idea of the blue cross shield was to unite the students together to make the shields for protection from the seagulls. After many accidental seagull invasions, all the students united and helped the Freshmen make the shields.

Following the skit was the Freshmen class song. The class sang their song to the tune of "Yankee Doodle Dandy". It was followed by the yell and the chant. The Freshmen waited eagerly for the results as Mr. Davini announced, "The fifth place winner is the class of 1987."

For the Freshmen' first Monarch Day, the class took a disapointing loss but they lost with dignity.

1984 Homecoming: Rodriquez And Jones Crowned

Excitement filled the air. Candidates suspensefully awaited the announcement of king and queen at half-time during the football game against Sunset Friday October 7, 1983.

Homecoming court this year was a bit different. When the king and queen were announced by Student Body President Shannan Dugan, they rode around the track in a black convertible as the song "Modern Love" rang out from the loud speakers.

Voting for homecoming candidates took place in class. Students nominated two people from their class as candidates. Then the king and queen were selected by a vote of all students.

Candidates for this year's homecoming court were: 8th grade David Jones and Misty Silva; 9th grade David Encelan and Lisi Elespp; 10th grade Robert Jones and Stacey Dunn; 11th grade Paul Lozano and Caroline Jones; 12th grade Jimmy Rodriguez and Missy Hawkins.

When the big moment finally arrived, Jimmy Rodriguez and Caroline Jones were announced as Homecoming King and Queen for the 1983-84 school year. This night was definitely a night to be remembered.

'83 Winter Ball— Students Dance To "Stargaze"

The dancing started at 7:30 p.m. with the music provided by "Stargaze". Over 150 Mt. Eden students danced the night away with their dates and if they wished a photographer was on the spot to take pictures of the memorable event. (Photos by Garibaldi).

On December 16, 1983 Mt. Eden's B.O.D. held its now yearly Winter Ball. The ball was held in the Cafetorium and was decorated with Christmas spirit everywhere.

Almost every student that attended the dance enjoyed themselves. Here is how some of the students felt.

Sophomore Moore Jones comments, "I think the dance was very good. I had a great time and it was live when everyone started dancing."

Junior Shannon Dugan feels, "because of the problem with guest passes, there wasn't a large turnout. The music and pictures were great though and my friends and I had a great time."

Junior Varsity Frosh-Soph Squads

This year the Junior Varsity and Frosh-Soph Cheerleaders combined their squads as well as their talents. At camp they did very well bringing home many ribbons. The effort and support at camp was great, and the squad had a lot of fun.

Each member of the Junior Varsity Song Girls had a great time at camp with the exception of one who had to go home ill. Even so, the squad still brought home many ribbons.

Our Frosh-Soph Song Girls had a beautiful year. They all worked hard on routines. It was their first year at Mr. Eden and they loved it. It's sure that they are all looking forward to the years to come.

Mr. Eden was lucky to be able to have six mascots this year. One Varsity, two Junior Varsity, and three Frosh-Soph lions entertained the students by running around in their fuzzy brown outfits. Each squad has enjoyed having their own mascot instead of just having one at Varsity games. Having a full squad of mascots has been nothing but great.

THIS HAS BEEN A GREAT YEAR FOR ALL ! ! ! ! ! !

Varsity Song Girls "The Fine Nine"

This year's Varsity Song Girl squad, also known as the Fine Nine, started their year off quite well by receiving an excellent rating at camp. They learned new cheers and routines for halftime enterrainment. The Song Girls then went on to show how great their spirit was at Monarch Day. The crowd was quite surprised to see the level of difficulty and the amount of gymnastics used with the addition of three to the squad. They cheered for their classes and per formed their competition routine. The spirit didn't stop there. Omega Kick off Rally was just around the cor ner. The Fine Nine were sure to be in line for this night. When it came to their turn, it started to pour and kept on throughout their entire perfor mance. Even with the rain falling, the Song Girls looked super and had a good time. They could also be found cheering on their team, doing jumps, splits, and having a great time. The Blue and Gold didn't always win their games, but the squad was there to give support. Be it rain or shine, the Fine Nine were there.

THE FINE NINE

Varsity Cheerleaders & Mascots

The Varsity Cheerleaders consist of Lily Lozano, Julie Lozano, Samone Lee, Veronica Kelley, and Lisa Pinegar. They called themselves the Fabulous Five. Many hours of practice went into their award-winning routine. During the summer they practiced, and when they went to camp, it really showed. They won many, many ribbons as well as a superior trophy. This was a great honor at camp. The squad also performed on Monarch Day minus one girl and did a great job. The crowd was amazed at their split catch and rotating balance pyramid. The night of Omega gave the Cheerleaders a chance to show just how superior they really were. Even the rain couldn't prevent them from presenting a very beautiful routine. During the year, the squad attended Varsity football and basketball games to support their teams.

Johnna Toppings was our Varsity Mascot again this year. This is her second go-around and her final year for her tail-wagging antics. At camp Johnna received both excellent and superior ribbons for routines and cheers. Monarch Day was great, and Omega was a lot of fun. However, she liked the competitions the most . . . especially ours with soooo many people. She'll really miss it next year.

MORGAN

ROCHELLE

After only four weeks of preparation, the actors of "The Odd Couple" were ready for Mr. Eden's first fall production in over five years.

Neil Simon's the "Odd Couple" was about two divorced men who are totally opposite. Oscar Madison (played by Darryl Willis) a messy slob who was only worried about two things, poker and women. Felix Unger, (played by Morgan Baker) was only worried about one thing, keeping everything clean! Throughout the course of the play various poker games are trying to be played, but Felix & his way, stop the game from even being started.

The rest of Oscar's gang consisted of Murry the cop (Joseph Caravello), Speed (Jim Sloan), Roy (Fred Smith), and Vinnie (Kurt Johnson). Towards the end of the play Felix is brave enough to double date with Oscar. Oscar invited two British chicks from his apartment to spend a somewhat quiet evening. The coo-coo Pigeon sisters, Gwendolyn (Rochell Myers) and Cecily (Marcy Willis) who find Felix adorable and end up taking him into their apartment to live with them.

All in all the Odd Couple directed by Arlene Hood was a big success and a lot of fun. The cast and crew did their best to make this show tops and they did just that!

Poverty Theater Full Of Action

There was a great line-up of plays by the Mr. Eden Poverty Theater group in D-1 from Oct. 24th to Oct. 28th.

Starting with Sweet Nell the story of a villain, a hero and the sweet poor Nell's fight for the deed. Next came Vanities the story of the inrertwining lives of three women, then a comedy view of the life of Adam and Eve in The Diary Of Adam and Eve. The next play was Wedded But No Wife, the story of a man who marries three women, and I'm sure you can imagine what happens! Ending the week of fantastic performances by the drama department, there was Vaudeville, Broadway at it's finest. This play came complete with a chorus line and stunning solo performances.

The whole week was a smash hit adding just another example of how talented Mr. Eden students are.

Sophomores Sweep Spirit Week

After a week and a half of a hard fought battle between all five classes at M.E., the **Sophomores** managed to snag a spirit week victory. The **Juniors** and **Seniors** took second and third place while the **Freshmen** barely beat the **Eighth** graders for fourth place.

The first lunch time event was the Mummy Wrap, in which the class of "85" obtained an easy victory. A quick triumph was acquired by the **Sophomores** in the Orange Pass, where the objective was to pass an orange by the neck down a line of eight students. The Tennis Ball Relay had teams of five racing with a tennis racket holding three tennis balls, person by person. Again, the class of "86' managed to take first. During the Bicycle Race, the **Freshmen** managed to wheel their way to victory. The final lunch time competition was the Tug Of War, in which the Seniors managed to pull a first place.

The decorating of the administration hall helped determine the final standings in which "Leprechauns," the **Sophomore** class theme managed to to snag first place. The "Red Baron" **Juniors,** and the "Arctic Wonderland" of the **Freshmen** took second and third while the **Seniors** "King T" and **Freshmen** "Surf's Up" hall took fourth and fifth places.

At the Spirit Week games, all classes demonstrated great spirit by supporting M.E.'s basketball team in it's battle against the Castro Valley Trojans. The bleachers were decorated with blue and gold streamers and the walls were covered with encouraging signs. At the games end, Principal John Davini announced the overall winners of Spirit Week and said that all students could be proud of their participation no matter what the final scores.

Winter Concert Big Success

Success was the story for the annual **Winter Concert** held on December 15th in the caferorium. Directed by **Mr. John Ingram,** ME's Symphonic and Concert **Bands** performed many enjoyable classical and modern pieces. The **Choir,** under the direction of **Ms. Lucerne Mottaz,** also gave an outstanding performance. They sang many popular Christmas songs giving the concert a warm seasonal spirit.

A standing ovation was enjoyed by all 169 participants for a job well done. Both groups had spent many long and hard hours preparing for the event and the appreciation by the audience was well deserved. The music groups plan to purchase some needed musical supplies with the profits.

Some of the featured soloists were: **Jim Stevens, Gene Leduc, Brian Beacock, Henry Pellowski,** and **Bernie Malonson. Bernie** was also the Master of Ceremonies.

B.O.D. Has A Winning Year

With the help of Mr. Ingram (advisor), the **B.O.D.** has put on many FUN and very successful dances. It was quite obvious that this years **B.O.D.** lived up to its expectations.

The Board of directors met every Wednesday at lunch to talk about, vote on and decide all the activities that went on at M.E. this year. The **B.O.D.** has been very productive by bringing back the lavish tradition of Homecoming and the many assemblies put on at the school.

Something else marks this years **B.O.D.** as different from other years and that is President **Shannan Dugan** and Vice President **June Kittilstad,** were both Juniors. This makes it the first year Juniors held "executive" office at Mr. Eden.

Not only the elected **B.O.D.** officers show how much they care about our school, as stated **Shannan Dugan,** "In addition to the **B.O.D.** officers, I've had a great deal of help from M.E. students. Their enthusiasm is really helping make Mr. Eden a place its students can be proud of".

Club For Camera Buffs

If you want to learn about Ansel Adams, super zooms and how to beat that old devil contrast, the Camera Club is for you.

Students who are interested in learning about the basics of good photography get together with club advisor Mr. Vic Martino and discuss and learn about various techniques for improving their skills. They swap such ideas as special effects with over - exposure and under - development and how to shoot great action shots.

The club also sponsored some fund raising projects in order to purchase some supplies. Members feel belonging to the club helps them to improve on their skill and style of photography.

Health Careers Club

1983-84 brought about the formation of a new and exciting club for those students interested in any aspect of the medical field as a career. The club was appropriately named the "HEALTH CAREERS CLUB."

The club was formulated by Mr. John Bartevian, one of Mr. Eden's enthusiastic science teachers along with some of his industrious students. The purpose of the organization is to assist in the academic pursuit of students interested in the medical field as a career.

"With the support from the University of California Medical School-San Francisco and the help of frequent guest speakers, students are motivated towards a career in the medical field. We hope the club will become a permanent Mr. Eden organization," stated adviser Mr. Bartevian.

Lion's Tale Striving For Success!

For the past six years, Mr. Maury Schmid has been advising the newspaper staff of Mr. Eden's own Lion's Tale.

Twenty-two members make up the staff this year, but six of the members do not receive credit for the class because they do it on their own free time. The staff tries to publish at least 12 issues a year due to the business requirements.

Lion's Tale is designed for students at Mr. Eden who are interested in and have interest in writing and publishing newspapers. The year has been difficult for the staff to improve the quality of the paper because of the small staff. Two students who have been editors commented on the paper. Shannan Dugan says, "At Mr. Eden there is noticeable lack of interest but the people who write the paper have an untapped potential that we hope to zero in on next year." Tom Throckmorton believes, "The extra time we have put into the newspaper is all worth it, especially when the paper comes out and we receive encouraging feedback from the students and administration of Mr. Eden."

Mr. Eden is very lucky to have such talented students on the staff who are willing to devote so much of their time and energy to Mr. Eden's Lion's Tale.

ASU Learns Of Culture

For another year the Asians United Club has given the Asians in our school a place to go and learn about their culture and do many fun things. Their many activities and fund-raisers gave them an exciting and meaningful year. Some of their more successful fund-raisers included a Fortune Cookie Sale and a Mistletoe Sale . . .

ME Ski Club Revived

Mr. Eden ski enthusiasts had high hopes for shooshing down the hill at many High Sierra resorts this year. Their plans were thwarted each and every time a trip was planned. First, by a long dry spell of no snow during January and then by not enough sign-ups in Febraury.

Mr. Eden's Ski Club had not been active for several years when it was revived by some other ME students who enjoy skiing. Mr. Randy Panietz agreed to be advisor for the group. Much time and effort was put into planning and arranging the trips. Everyone involved was very disappointed by the outcome, but hopes that the club will stay active for another try next year.

Top Row, Mr. Panietz, Jennifer Hunn, Crissy Bowlin, Eric Booe, Teresa Aguiar, Darin McCafferty, Jean Joson, Shannon Dugan, Amy Eggelton, David Niacaris, Karen Harrison, Lori LaMantia, Paul Ruiz, Rene Abdon, Bottom Row, Pam Reinstra, Felicia Ramos, Shelly Saccanago, Andrea Andrews, Emmanuel Paylado, Nerissa Ramos, Flora Paylado, Secille Altez, Belinda Fumar

FACULTY

Dear Seniors,

Again it is time to congratulate another graduating class of Mr. Eden High School. Each graduating class leaves to their school unique gifts of memories, smiles and tears.

The Class of 1984 is surely no exception. The smiles have been so broad and the accompanying laughter so loud that we will, in fact, hear it for years to come. The tears shed on Monarch Day, as well as those shed by individual students every day will leave their eternal strain on the shoulders of Mr. Eden.

The memories left by the class of 1984 will remain in our minds for years to come. My very best wishes for many successful years.

Sincerely,

John M. Davini

Senior Officers

The class of 1984 this year seemed to retrace it's steps with class officers. Nancy Wilson and Gary Duran, co-presidents, were also presidents in previous years. Nancy freshmen president and Gary sophomore president. Bernice Ransom vice president and Michele Powell secretary were co-presidents last year and Rosemarie Santillano treasurer was secretary in her freshman year. This year seniors took second in Monarch Day and third in Spirit Week.

Seniors Have Surprise Picnic

What do you get when you cross a bunch of excited seniors, with waterslides, food and fun? There isn't a right answer but you can be sure it will be a great Senior Picnic! On the morning of the picnic seniors came to school early, loaded their things onto the buses and they were off.

Because of the problems in the past with the lower classmen attending the picnic, Mr. Davini would not tell the seniors where they were going. After riding for forty minutes, the bus loads of seniors arrived at Shadow Cliff. The seniors then unloaded the buses and jumped into their swim suits. Then they proceeded to fly down the slides in all different positions. The class of 1984's SURPRISE PICNIC ended as a GREAT success!

"So . . . big deal, this is 1984?! There was this guy named George, who wrote a book telling about how awful things would be this year."

The book, as we all know, was entitled 1984, written in 1948. George Orwell's book held the world in suspense for 36 years. Orwell saw his world as one in which warfare was the price of grim prosperity. Man's actions and his thoughts were watched carefully and no man was allowed his own personal identity.

Orwell's book was not just a satire of tyranny, it was a warning to mankind to change the course of history or we would soon run the risk of becoming soulless robots.

As the graduating class of 1984 arrives at its final hour at Mt. Eden, we have been plagued with bells, boundaries, and continuous rules. Away from the school, we see uniformed security guards, surveilance cameras, identification badges and a never ending chain of numbers accompanying our names on forms and applications. To us, it is difficult to remain unique when "uniqueness" is replaced by numbers.

Our families look at us and see the future. Our teachers hope that they have been able to give us things we will always use—things we can grow with. It is up to us to keep our own indentities and not become robots.

Tomorrow's historians will look back on our year, 1984, and report that Orwell's prophecies did not come true. Or did they? It's really up to us.

Mike,
Whats up buddy? Hope you have burnall summer..
Your buddy,
Arturo Heredia

Mike
I hope we stay friends. I hope we have fun this summer.
David Santa Cruz

Mike

michael,

I don't really know how to start out. Well let me see. I'm really glad I met you this year - you're very sweet person. I never met someone like you, who was so nice! I wonder if I'm going to see you this Summer. (Sorry about having so many I.I.I)

You know what, this is probably the most boring thing you ever read. So continue, right now as you know I'm in science watching the movie and signing your year book. (Don't ask me why I wrote that ;) michael hope you have a great summer :) (you know you will!) Also stay as nice as you are know. too :)

Love Always,
Darlene

Michael,
I'm glad I met you this year though because of you I got moved when you should have been. Have a great summer. See you next year.

Michael,
You are a very special person. Thanks for making me laugh in Mr. Martino's when it was so boring. You are a very sweet person. Good luck w/ Darlene. She very sweet also. Have a great summer - K. I. T. 782-6509
